

## Date Bars

Combine the dates with the sugar and butter. Microwave for 3 minutes, stirring well after 2 minutes, then restart microwave. Immediately add lemon juice, vanilla essence and rice bubbles. Push into a greased slice tin. Sprinkle with coconut. Refrigerate 24 hours. Take out and cut into bars. It's easier to cut if left on the bench for about half an hour before cutting. Store in the fridge.

300g dates, chopped  
 ½ cup sugar  
 65g butter  
 1 tbs lemon juice  
 1 tsp vanilla essence

## Stained Glass Biscuits

Make your favourite roll-out-and-cut biscuit recipe. Cut shapes with a smaller version in the centre, eg star within a star. Fill the hole with a crushed boiled lolly which will melt during cooking giving the glass effect. Kids love using a small mallet or tack hammer on lollies in a paper or plastic bag.
